6.	On 5 April, an air force unit with tank trucks, refrigerator trucks, road rollers and tractors was being unloaded at the Jucterbog loading ramp. The unit also unloaded about nine fuel tanks k meters long and 2.5 meters in diameter, seven small fuel containers 3 meters long and 1.75 meters in diameter, billeting equipment, equipment for officers' billets and a furniture van from Grossenhain. Motor vehicle M	50X1-HUN 0X1-HUM
7。	On the evening of 6 April, furniture and other equipment were still stored on the loading ramp. Trucks hauled the equipment toward Neumarkt, but the final destination was probably Reinsdorf.	50X1-HUM 50X1-HUM
